WHAT TO DO IF YOU HAVE THESE SYMPTOMS?

?

NHS 111 has an online coronavirus service that can advise you what to do.

111

Call 111 if:

111

- you think you have coronavirus
- you have been to a high risk area in the last 14 days

14

- you've had close contact with someone with coronavirus

You can ask for an interpreter in your language.

WHAT IS “SELF-ISOLATION”?

If you need to self-isolate:

You must stay at home; you must not go to school, work or any public places.

You must not use public transport.

You must not go to the doctor.

You must ask someone else to leave food for you outside your room.

You must do this for 14 days.
