

On 19 December, the UK government introduced a new tier in response to the coronavirus pandemic. Tier 4 comes with increased restrictions.

If you break the rules

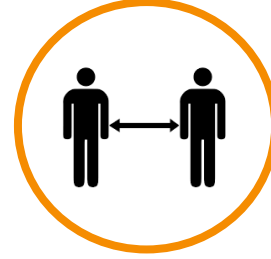

The police can take action against you if you meet in larger groups. You can be given a Fixed Penalty Notice of £200 for the first offence, doubling for further offences up to a maximum of £6,400.

If you hold, or are involved in holding, an illegal gathering of over 30 people, the police can issue fines of £10,000.
