What are the new tiers?

This is a new system which comes into effect in England from 2 December 2020. Each part of the country has been put into either tier one, two or three. Each tier has different rules about what people can do. You must check to see which tier you live in.

You can use the BBC website to check your area: www.bbc.co.uk/news/uk-54373904
